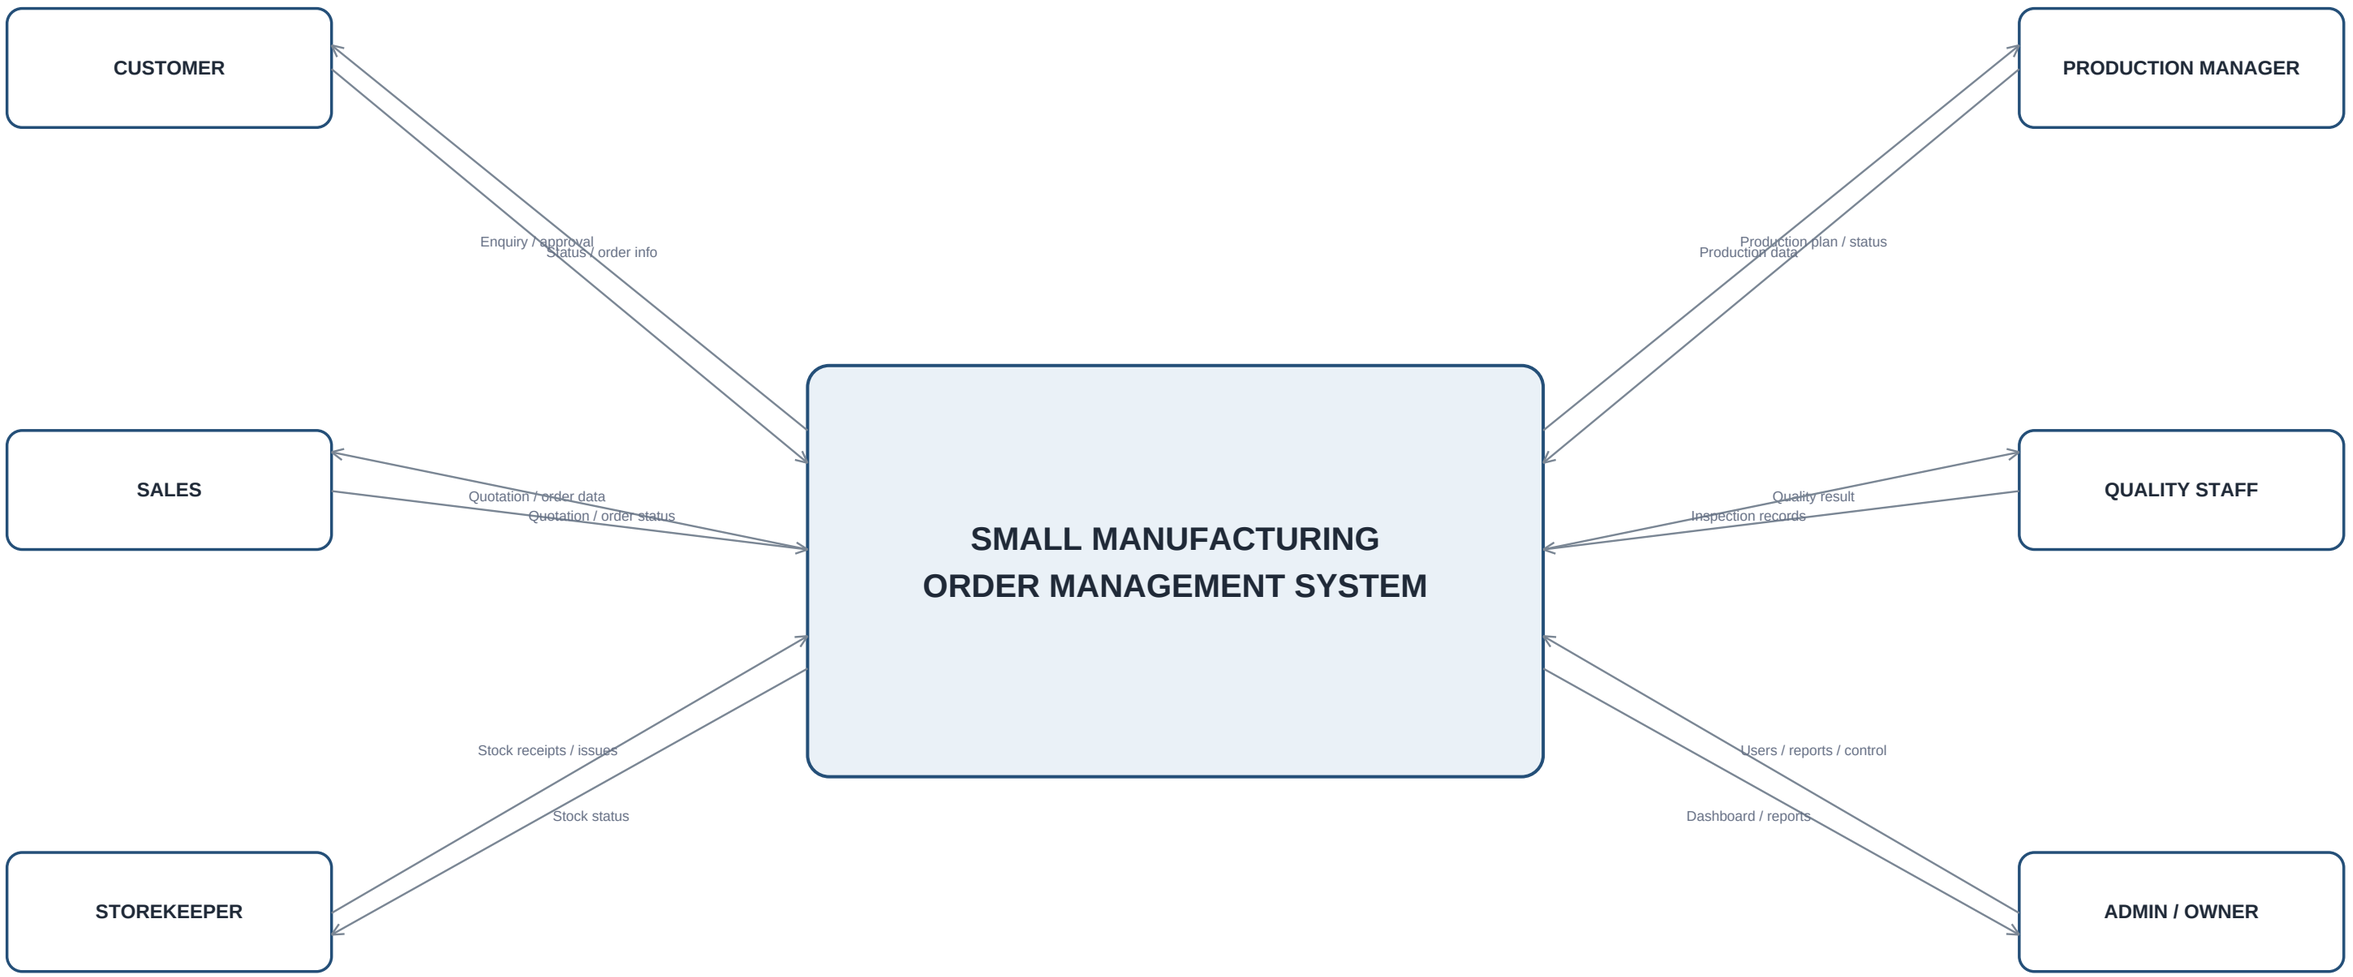
DATA FLOW DIAGRAM (DFD)

Level 0 — Context Diagram

Phase 1 Submission | Small Manufacturing Order Management System



Purpose: Shows the system boundary and the main data exchanges with the SRS user roles.

Roles: Admin/Owner, Sales, Production Manager, Storekeeper, Quality Staff and Customer.

DATA FLOW DIAGRAM (DFD)

Level 1 — Main Business Workflow

Phase 1 Submission | Small Manufacturing Order Management System

Main flow: Customer & Enquiry → Quotation → Sales Order → Inventory → Production → Quality → Dispatch → Invoice/Payments → Reports

Processes and data stores are grouped logically from the SRS modules and end-to-end workflow.

Level 1 — Primary workflow processes and logical data stores for the MVP
